Hallow is related to the word Holly. Een - has a similar sound to Eve, which means the night before a special event, like Christmas Eve and New Years Eve. So the combination of Hallow and een is Halloween.

Halloween is a very old holiday and comes from Scotland.

A long time ago, 31st October was the last night of the year in the old Celtic Calendar. It was a night for witches.

In the past, many people used to wear costumes of scary creatures on Halloween to scare away the evil spirits. They would also offer evil spirits food to avoid being haunted by them. This is where trick or treat comes from.

Today, more people celebrate Halloween by dressing up in costumes of evil
